

## DMTS Long Distance Service

On August 1, 2007, DMTS launched it's Long Distance Service, Already businesses & residents in the city that signed up are saving up to 60% over their previous toll provider. Switching is easy, complete the PIC form below and fax it to DMTS at 223-1109 and we will get you switched right away. Still skeptical, bring us a copy of your latest toll bill and we will re-rate it as if you had been with DMTS and show you how much we would have saved you. Choose from which ever of the following great plans suits your needs best!

### TALK, TALK, TALK (Residential only)
